Employment Opportunity Community Midwife Position

Position Summary:

Reporting to the Director of Client Services, this position works within the Women's Health Center as part of a larger interdisciplinary, collaborative health care team to deliver a comprehensive primary maternity care program which supports the delivery of low risk maternity care services within the All Nations' Healing Hospital. The midwife is a primary care provider and is required to have the appropriate knowledge, skills and competencies to provide supervision, care and advice to women from conception, through pregnancy, labour, birth and the postpartum period. The midwife adheres to the philosophy of midwifery care in practice. The midwife must be able to work flexible hours to meet client care needs.

Qualifications:

- Current active practicing registration or eligible for licensure with the College of Midwives of Saskatchewan
- Graduate of an educational program approved by the Saskatchewan College of Midwives.
- Current certification in CPR, and NRP
- Excellent written and oral communication skills
- Valid Saskatchewan Class 5 drivers license

Experience:

- Previous experience working as a member of an interdisciplinary team.
- Expertise working with women experiencing numerous challenges
- Current midwifery experience.

Other:

- Must be eligible for liability insurance coverage (purchased by employer).
- Must provide a recent criminal record check.
- Must provide recent child abuse registry check.

Closing Date: Position open until suitable candidate found.
