Request for General Registrant

Cambridge Midwives is looking for one or two full-time General Registrants to join our practice with expected on-call Spring 2012.

We are a well established practice of 10 midwives, some fulltime and some $\frac{3}{4}$ time who practice primary care midwifery. We enjoy a large stand alone clinic with 5 clinic rooms and 4 washrooms including a large boardroom and a student room. There is plenty of free parking. In order to balance work and personal lives, we have a 3 day weekend every other week, 10 flex days per year and 2 one month blocks of vacation.

We enjoy a good rapport with our local hospital and even have a Chief of Midwifery who sits on MAC. We work with oxytocin induction and augmentations and are in the process of working towards epidural privileges. We also lend out birth tubs and have Entonox for homebirths.

Cambridge is well situated near Kitchener-Waterloo and Guelph and is only an hour from London and Toronto. Our catchment area focuses on Cambridge but includes Paris, Ayr, Puslinch, St. George, Drumbo, Troy, and Sheffield- an excellent mix of urban and rural.

Please submit resume via email or fax to our clinic attention Melanie Lavers.
