

General or Locum position for 2011/2012

Community Care Midwives is seeking a General or Locum midwife to join our team. Our catchment area borders the eastern and northern parts of Durham Region as well as parts of Northumberland County. This includes Oshawa, Port Perry, Clarington, Bowmanville, Newcastle, Port Hope and Cobourg. We are a busy teaching practice who provide team care and enjoy “full scope” privileges at Lakeridge Health Oshawa and Northumberland Hills Hospital in Cobourg. We enjoy excellent working relations at both hospitals and have a home birth rate of approximately 20-30%.

We work within a team model and are in the process of implementing a unique on call schedule providing ample off call time providing a true work/personal life balance.

We are looking for individuals who have a strong work ethic, strong communication skills, have experience working in team care, those who are self-motivated, and have a great sense of humour.

If you are interested in applying for a position with our practice please mail or fax your resume and a cover letter introducing yourself to:
