

Community Midwives of Kingston

391 Barrie Street, Kingston ON K7K 3T6

Urgent: Locum General Registrant Position

May 2011 due dates (April clinic) to May 2012.
Twenty clients between May and December

Possible long term employment opportunities for the right candidate

CMK supports consensus decision making, flexibility in caseload, teamwork, scheduled off call times and holidays. We have excellent support staff and a lovely, sunny building.

CMK is a mature practice of eight midwives with privileges at Kingston General Hospital, a tertiary care centre. We enjoy collegial relationships with the obstetric teams and other healthcare providers in our community. Our home birth rate ranges from 25 to 30 percent.

Please visit www.kingstoncanada.com to see many reasons to fall in love with Kingston area.

All applications will be kept in strict confidence. Successful applicants will be notified by phone to arrange an interview. Please send a copy of your CV and cover letter by email as soon as possible to Donna Wood at woodhouse@yahoo.ca.
