

New Registrant/ Locum Position available at Kawartha Community  
Midwives (Peterborough, Ontario).

**Start Date: June, 2010** End Date: June to November 1<sup>st</sup>, 2011 (possible extension of position past one year)

*If you would like a slightly shorter or longer locum, please let us know as there may be some flexibility*

Kawartha Community Midwives is looking for New Registrant or Locum midwife to cover a leave. We are a group of 6 women who just moved into a beautiful new clinic in a Victorian house in downtown Peterborough. The practice was established over 10 years ago, we have privileges at 2 hospitals; Peterborough Regional Health Centre and Northumberland Hills Hospital (Cobourg). We have an active home birth community.

We are:

- a group of 6 midwives;
- covering an area about 45 minutes in all directions from the centre of Peterborough (small urban/rural);
- who work in a shared-care model, with women meeting 3 midwives but with the majority of visits with 2 midwives;
- we have full scope (oxytocin and epidural maintenance) at one hospital and reduced scope at the other hospital;
- with 9 weeks holiday per year, one 4 day period off call per month and 4 hours off call per week as needed.

An ideal midwife would be:

- a self-motivated, dedicated team player, who is interested in continuity of care but also supporting her practice partners in maintaining a balanced life;
- is interested in living in a small urban community, or in one of the close-by small towns, with a vibrant arts community, farmer's market, lakes and rivers for canoeing and great hiking/skiing trails.

***We look forward to hearing from you!***

Please tell us about yourself in a cover letter, and send a CV and any other information you'd like to share, to our office at:

Email: kawartha\_midwives@bellnet.ca or Fax: (705)745-7183. Our clinic number is (705)745-7640

**Please respond by April 1<sup>st</sup>, 2010**
