

# ASSOCIATION OF ONTARIO MIDWIVES

*Represents Registered Midwives and Promotes the Profession of Midwifery in Ontario*

## AOM RURAL AND REMOTE LOCUM POOL – REGISTRATION FORM

The AOM maintains a list of registered midwives who are interested in and available to work as locum midwives in rural and remote locations. You do not need to be registered with the AOM in order to apply for rural and remote locum positions. However, the AOM will e-mail locum opportunities to midwives who are part of the pool, and will also send pool members any updates about the locum program.
