

LOCUM MIDWIFE NEEDED
(ALL OR PART OF...) ONE-YEAR MATERNITY LEAVE
STARTING FEBRUARY 2012

This is an excellent opportunity for a midwife who might enjoy a reduced caseload (50-100%, depending on the month) and/or a flexible working arrangement. We presently work in a shared-care situation (3 midwives) in a very supportive environment, with generous time off- call including 8 weeks holidays per year plus rotating weeks off-call. We regularly employ at least 1-2 skilled second attendants.

Our catchment area includes the City of Kawartha Lakes and slightly beyond (extending to a 45 minute drive in all directions from the town of Lindsay). We work with a large Amish/Mennonite and teen clientele and a growing homebirth rate of approximately 30%.

Privileges are at Ross Memorial Hospital, Lindsay, a level 1 hospital.

A suitable candidate will be clinically savvy, fun with a great sense of humor, and very reliable and dependable.
