

**MIDWIFERY COLLECTIVE OF  
ESSEX COUNTY  
IS SEEKING A GENERAL REGISTRANT.  
(CONDITIONAL ON FUNDING)**

**START DATE: As soon as possible**

**OUR FOCUS: INNOVATION & COLLABORATION**

**Some of our accomplishments**

- L&D nurses at both Leamington and Windsor Hospitals collaborate as 2<sup>nd</sup> attendants
- Vulnerable populations served through innovative project, providing on-site midwifery care at urban community health centre
- Initiated inter-professional mentoring through cooperation with the Nursing Department at University of Windsor
- Active waiting list
- A satellite office in Windsor
- A close working relationship with our local OB

**IDEAL CANDIDATE:**

A sincere and dedicated hard-worker, with a sense of humor and an interest in inter-professional collaboration. Must also be committed to balance – prioritizing quality care and sustainable life-style.

**CATCHMENT AREA: URBAN/RURAL**

Essex County, including the city of Windsor, is the 4<sup>th</sup> most multicultural area in Canada, and can be traveled from one end to the other in under an hour. Our principle clinic is located in Leamington - the best place to live in Canada

*(Moneysense Magazine 2006) with a satellite office in Windsor.* Leamington has Canada's longest growing season, a beautiful national park and is 30-45 minutes from Windsor. Amenities between Windsor and Detroit include a world-class opera house, Zoo, art gallery, theater district, symphony, major sports events, science center, and the world's largest African American History museum, among many more.

**In 2008 the University of Windsor opened a medical school, a huge asset to the community, and to inter-professional development.**

### **HOSPITALS: LEVELS I AND II**

Hospital privileges are at a Windsor Regional Hospital (level II) and Leamington District Memorial Hospital (level I) with an obstetrician but no pediatrician. This practice offers full scope of care and enjoys strong support from obstetric and nursing staff.

**MIDWIVES AT MCEC:** Andrea Cassidy.

**MODEL OF CARE:** This practice prefers shared care, has a strong commitment to excellent community relations, and believes in balancing work and personal time. The job may start as primary care. We are exploring and willing to develop inter-professional collaborative models. We serve both rural and urban client bases. This is your opportunity to participate in the development of an exciting new practice and have direct input into the model of care.

**POSITION:** A new practice member will start with a waiting list and will also be responsible to help build base caseload. Part time and/or full-time work are possible. Interested parties should have good communication skills, be flexible, have a sense of humor and be willing to help develop midwifery in this wonderful community.

**CONTACT:** Fax or email your resume and a cover letter explaining why you are interested in joining this practice. Include three references. Applications will be accepted anytime and interviews will be arranged.
