

Midwives Grey Bruce MATERNITY LEAVE LOCUM

NEEDED URGENTLY

Midwives Grey Bruce very urgently needs a General Registrant Locum tenens to cover Parental Leave of 12 months. Start immediately and come work in our busy rural midwifery practice.

This group of 7 midwives has privileges in the Level 2 facility, Grey Bruce Health Services, Owen Sound, and in the Level 1 facility, South Bruce Grey Health Centre, Walkerton. Our main clinic is in the city of Owen Sound where there are many restaurants, book shops and a large and vibrant arts and music community. In addition, Grey and Bruce counties have many recreational, cultural and historical points of interest such as Grey Roots, the Billy Bishop Museum and Lake Huron and Georgian Bay. This area is a vacation destination but also contains many good schools as well as a campus of Georgian College.

We serve a culturally diverse and geographically large catchment area which includes several Amish and Mennonite settlements. There are as well 3 First Nations Reserves - Chippewas of Saugeen at Southampton and Sauble Beach and Chippewas of Nawash up the Bruce Peninsula at Cape Croker.

We drive through the most picturesque villages and breath-taking countryside in all seasons. Our Locum midwife will assume a full caseload including home births and some home visit prenatals. She will need a reliable car with snow tires for winter and bike/boat rack for the summer.

The position commences immediately. If you are the midwife for the job, please contact us at 519-371-2886. Resumés may be faxed to 519-371-3326 or emailed to mgsadmin@rogers.com.
