General Registrant Position Available

Midwives Nottawasaga is looking for a General Registrant beginning in December 2010.

Our catchment area is bordered on the west by Highway 124, touching south along Highway 89 at Shelburne through Angus to Highway 11 north of Barrie. The east side borders Highway 12 between Orillia and Waubashene and around Nottawasaga Bay, incorporating the Midland and Penetanguishene area of Huronia.

We have hospital privileges at Collingwood General and Marine Hospital (Level 1) and Orillia Soldier's Memorial Hospital (Level 2). We are committed to providing midwifery care locally and offering women the choice of birthing in their home communities.

We work in a shared care model with regular off call times and holidays built into the call schedule. Three-quarter time caseload begins immediately and payment will be by billable course of care. There is flexibility in caseload to work part time up to full time.
