

**West End Midwives** is looking for two **general registrants** to join our new practice.

**About us:**

- We are a new GTA practice planning to open in November of 2009.
- We will provide full scope midwifery care for women living in the North West of Toronto.
- We are negotiating privileges at William Osler Health Centre (Etobicoke General).
- West End Midwives work in teams of two, rotating weekly between on call and clinic duties.
- We have 5 founding partners: Ren Barrett, Nicole Bennett, Manavi Handa, Elaine Ho, and Pam MacInnis.
- We are looking for one full-time and one half-time midwife to join our practice.

**Ideal Candidates:**

- Hardworking, dynamic, with excellent clinical, communication and teamwork skills.
- Experience working in full scope midwifery practice.
- Committed to social justice issues.
- Previous experience and/or interest in working with women from marginalized communities.
- Speak multiple languages.
- Interested in either short term or long term association with our practice.

We are interested in building a practice which reflects the communities we serve. Midwives from visible minority groups and graduates of the IMPP are especially encouraged to apply.

Interested midwives should send Resume and cover letter to:
