

General Registrant Locum Position
WEST END MIDWIVES - TORONTO

West End Midwives is looking for a General Registrant to join our practice as a locum starting in March 2012.

About West End Midwives:

- We are a practice of 11 midwives located in the north west of Toronto. We provide care for women in West Toronto, Etobicoke and Rexdale.
- We have privileges at William Osler Health Centre - Etobicoke General site where we practice "full scope" and have good inter-professional relationships.
- We are a shared call practice with midwives typically working in teams of two and rotating between clinic and call duties on a weekly basis.
- We provide care to a diverse population.
- We are about to celebrate our second year anniversary

We are looking for a midwife to fill a half time locum position starting in March 2012 for likely a 6 month position. This position has become available as one of our midwives has unexpectedly had to go on a leave of absence. We hope this position may become permanent; further discussion about long term possibilities will occur with those selected for an interview.

Interested applicants should send their resume and cover letter with 3 references by 2 December 2011 to us:
